

MUSCLES SHOW ME THE MONEY!

So, you think you are a guru on muscles? Now is your time to prove it. Below are options for you you're your partner. If you have other ideas, let me know. Select one of the options and include a minimum of 14 terms listed in the table below:

- * SONG
- * STORY
- * POEM
- * CARTOON STRIP
- * SKIT

Each of the above must use at least 14 of the terms below:

| | | |
|----------------------|------------------------|-----------------------------------|
| Actin | Myosin | Crossbridges |
| Calcium ions | Thin protein filament | ATP |
| Shortening | Thick protein filament | Energy |
| Flexion | Tendon | Muscle Belly |
| Extension | Muscle Fiber | Muscle Filaments |
| Antagonistic Muscles | Sarcoplasmic Reticulum | Binding Site for Myosin to Attach |
| Pulling | | |

Good luck!
